i-lantern

A luminaire with a powerful 10W heart and diffused light beam. The diffuser in opal polycarbonate offers an optimal, performing and never invasive light. I-Lantern can also be installed using a stake; the product is perfect for driveways in private and public contexts.

The body of I-Lantern is made in EN-AW6060 extruded aluminum in combination with the elements obtained through EN47100 die-casting process.

Customizable in four colors and is available in three different heights.

I-LANTERN | WALL LAMP
I-LANTERN | POLE
I-LANTERN | GARDEN LAMP
