

# INCISO Q4 48V

The 48V track INCISO Q4 is a projector for interiors with unique characteristics. In fact it is the first projector made in DurCoral® cement with a steel core. INCISO Q4 48V retains the same technical characteristics as the Q4 48V, but from the aesthetic point of view, the use of DurCoral® allows the material to be molded and engraved to create patterns that make it unique in its category. The research into the materials that characterize the Buzzi & Buzzi collection combine with the IRON technology to create an innovative product. DurCoral® is a material twice as resistant as cement, scratch-proof, customizable with any type of paint and has high mechanical performances.

### TECHNICAL FEATURES

Code	<b>BUT048 L 00016 XX</b>
Type	Projector ± 360° / ± 90° 
Material	DurCoral®
Finishing	T1   T2   T3   T4
Weight	1.32 lbs
Mounting	Track 48V
IP rating	IP40
Control gear	Remote 48VDC - see track datasheet
Lamp type	LED 
Lamp wattage	1 x 9W
Luminous efficacy	850 lm - 3000K
Light distribution	Beam 35° Beam 14°   55° (on request)
Light color	White 3000K White 2700K (on request)
Voltage connection	48 VDC
CRI	>90
Note	-
