## HUMAN TECHNIQUE, CARESS OF LIGHT

Miron is a family of compact projectors in two sizes, suitable for surface or pole mounting.

Made of die-cast aluminum and finished with a cathoresis treatment and a layer of polyester powder paint resistant to outdoor environments, it comes with an integrated power supply.

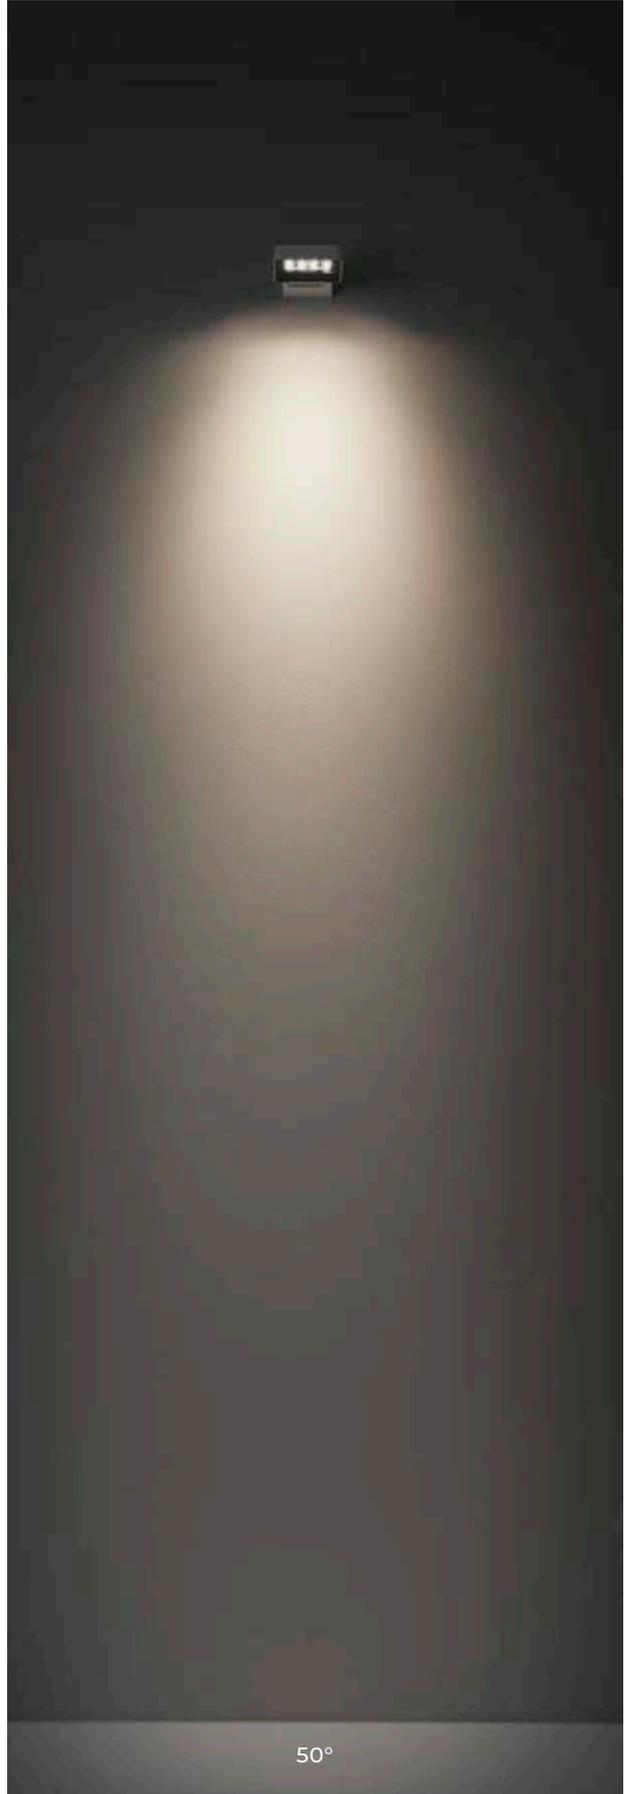

Various optics available and silicone tempered glass to guarantee IP sealing. Equipped with Power LEDs in 2700K and 3000K colors, it is adjustable on the horizontal axis so that the light beam can be directed.

The base is painted like the body and acts as a compartment for the connector, concealing the fixing bracket.

Available finishes:

**Light Source** power led  
**Supply** Integral 120VAC  
**Dimmer** upon request  
**CRI** ≥80  
**IP rating** IP65

**Application** floor, wall, pole, ceiling  
**Diffuser** transparent screen-printed tempered glass

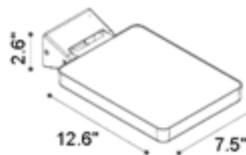

**Power** 16.8W LED 18.6W total  
**Led Color temp.** 2700K/3000K
