

Modulo A

DISCOVER NEW PLACES, REDISCOVER WHICH ONES WE ALREADY KNOW

Wall-mounted lamp, made of die-cast aluminum with cathoporesis treatment and a layer of polyester powder paint resistant to outdoor environments.

Available in two shapes: square or rectangular, it can be installed directly on the wall or with a housing box to accommodate the power supply, if needed.

Equipped with Mid-power LED in 2700K and 3000K versions, the diffusing screen, available in aluminum or gold, is discreet and elegant, serving both a functional and aesthetic purpose.
