

PIXEL C

1000 lm CEILING MOUNTED IN 2.36"

Indoor luminaire made in AirCoral® for brick or plasterboard ceilings, Pixel C is inspired by the Genius family and is characterized by simple and refined lines, fits perfectly into the surfaces where it is installed. The installation space is reduced and the mechanism is also simplified. The LED source maintenance is easily carried out through the emission hole. With its only Ø0.63" diameter and a punctual and scenographic beam, it's capable of creating impactful light effects through its technical simplicity.
