Fixture Dimensions
Ø4.5" x 35.4" h

TECHNICAL DATA

Wattage / Input	7.2W (120-277VAC)
Power Supply	Integral
Construction	Body: Stainless Steel Chain: Hot-dip Galvanized Steel (specify length) Buried Base: Hot-dip Galvanized Steel Flange Plate: Stainless Steel LED Component: Aluminum, sealed with Polyurethane Resin Designed for feed-through wiring
CCT	4000K
CRI	>80
Optics	Ground Illumination Component: Diffuse
Finishes	Polyester Powder Coating (DB 703), Custom RAL Upon Request
Fixture Dimensions	Ø4.5" x 35.4" h
Fixture Weight	25.35 lbs
LED Source	1 LED module with 6 high-performance LEDs (Ground Illumination Component)
Color Consistency	3-Step MacAdam
Operating Temp.	-13°F to +122°F
IP Rating	IP65
Impact Rating	IK10

ORDERING INFORMATION

Example: E-BD22-3011705.

--

Model No.		CCT	Finish	Chain Length
E-BD22-3011701	Illuminated - Flush Mount with Buried Base	4000K	Silver Gray	Consult factory for chain length
E-BD22-3011705	Illuminated - Surface Mount with Flange Base		Consult factory for Custom RAL
