

ELIOS

An evocative name, a circular design that fits in the space it is installed in, enveloping rooms in bright light. Elios is a totally disappearing indoor recessed luminaire made of AirCoral[®], installable on plasterboard or brick ceilings. Its purity of shapes is an expression of absolute elegance, the quality of its materials guarantees long duration and resistance, for a pure light and a unique style. Elios: a light that illuminates and purifies, naturally exalting every space.
