firefly pendant

Change and modernization: Firefly is an unexpected suspended firefly.

The suspension version of the product was created to valorize garden furniture such as gazebos and pergolas, or to create effects on plants and trees. The installation system makes the luminaire versatile and adaptable to the most particular outdoor needs.

A resistant and performing product, an atmospheric light spread through the opal PMMA element. The luminaire is fitted with a light source in LED technology, white, monochromatic with 2 W power or RGBW (by request).

Available in graphite, oxide, white and green finishes.

firefly

360°

2W

TECHNICAL SPECIFICATIONS

	360°
Source lamp	LED 2W
Total wattage	2W
Voltage	24 VDC
Control	Power supply not included • dimmable on request
Light colour	3000K • other colors on request
Delivered lumens *Source lumens	119 lm (160 lm*)
Luminous efficacy	59.5 lm/W
McADAM steps	3
Beam	360°
CRI	> 90
Life time	L70 > 50.000 h Ta 40°C
IP rating	IP65
IK rating	IK08

MATERIALS

Body	Extruded aluminum EN AW6026
Diffuser	Opal PMMA
Finishing	Polyester powder paint

ORDER CODE

FI30S0SXHB7Z_

Finishing

L	Graphite	●
V	Oxide	●
E	Marble white	○
D	Green	●

Example

FI30S0SXHB7ZL

INCLUDED ACCESSORIES

Code	Description
-	6.56' length cable -05RN-F
-	Cable clamp strip
