

FOCUS

RECESSED FITTING WITH REAR GLASS AND SINUOUS SHAPES.

Outlining the path of contemporary architecture, with its clean lines and geometric design: through its light Focus, a totally disappearing indoor recessed luminaire, installable on plasterboard or brick ceilings.

This product disappears, in order to give way to the light beam alone, which lights up, points out and decorates the spaces it is installed in. The body of Focus is made of AirCoral®, for a perfect combination of design and cutting-edge technology, with particular attention to the environment and air quality.

TECHNICAL FEATURES

Code	BU6163.Z.AC
Type	Downlight 90° 
Material	AC: AirCoral®
Absorption capacity*	43.6 ft²
Weight	3.97 lbs
Mounting	Ceiling recessed
IP rating	IP40
Control gear	Constant current electronic driver (not included)
Cut out for plasterboard	6.10" x 6.10"
Lamp type	LED 500mA ⚡ Vf: 18 VDC
Lamp wattage	1 x 9W
Luminous efficacy	1125 lm - 3000K
Light distribution	Wide beam 40°
Fitting	-
Light color	White 3000K White 2700K 4000K (on request)
Light hole	3.54" x 3.54"
Voltage connection	By driver (optional)
CRI	>90
Note	Extra white satin glass. Frosted glass recessed 30 mm into the ceiling.
