

GHOST

WALL WASHER RECESSED FITTING.

Ghost disappears inside surfaces, integrating with matter, molding and shaping spaces and ceilings: a real bright ghost that gives life to sceneries with an exclusive design and a parabola-shaped body that creates a wall-washer light effect; perfect combination of efficiency and elegance. Discrete and linear, the front body of this totally disappearing indoor recessed luminaire, installable on plasterboard or brick walls and ceilings, is made of AirCoral®. Ghost offers a wide range of solutions for architectonic projects, as it can be used as underlying, decorative or guiding light.
