

# INZETA

*Inzeta is an interior recessed luminaire with adjustable semi-recessed metal projector. Characterized by the quality of its light, with high power and CRI 90. With no visible mechanical joints, the fixture is tiltable by 35° and adjustable on the vertical axis at 360°. A miniaturized luminaire which blends the special total-recess characteristics of the AirCoral® body with those of miniaturized projector.*
