

ZEN

Zen is a suspended indoor luminaire made of AirCoral® with high-efficiency 30W LED, with an exclusive technology and a particular shape, where substance bends at the service of architecture: equipped with satin glass that creates a suffused and consistent light, Zen is fine line light of just 1.02", through which the product is protagonist, enhancing the rooms. Available with a white-painted ceiling case or with a recessed housing, that allows to place the driver in the false ceiling.
