-  matt white
-  matt black
-  chromed
-  champagne
-  rose gold

MAXIMUM POWER IN A DIAMETER OF 0.6".

The Tube NANO 48V is a pendant fitting with minimal design for 48V nano track. Its diameter of only 0.59" (15 mm) makes it extremely discrete and elegant in shape. Available in various finishes; white, black, chromed, champagne and rose gold. Witted with the latest generation LED source with a light output able to highlight individual details within the space.
