

# BELLA

---

One in a kind outdoor floor lamp, elegant and minimal with an integrated battery that allows the user to take the light wherever he needs both indoor or outdoor.

The structure is of primary finest aluminum, powder painted, the light source is fixed in a notch along the bracket and sealed with opal polyurethane resin to ensure IP protection.

Available in two bracket size, L 66.9" and L 40.6", adjustable of 310° on vertical axis and of 360° on the horizontal one.

The concrete base grants the stability of the lamp and contains the rechargeable and replaceable battery pack, IP65 and supplied with charger, on the front of the base a slot with courtesy light has a touch sensor for the switching on/off and the dimming of the lamp.

79 Trenton Avenue  
Frenchtown, NJ 08825
