

# IDROROUND IP65

## RECESSED FITTING WITH EXPOSED LIGHT SOURCE.

Idroround IP65 is a totally disappearing outdoor recessed luminaire made of Coral WaterOut<sup>®</sup>, perfect for installation inside SPAs, wellness clubs or moist environments where light and water play a key role. Thanks to its particular technical features, Idroround IP65 is able to guarantee to spaces a perfect lighting yet resisting to the humidity found inside these areas. Impermeability, durability, resistance, toughness and a uniquely fascinating light. The backward light source emanates a precise and punctual beam which does not affect space elegance.
