

MINIVIRTUS DIRECT IP65

DURCORAL® TECHNO-CEMENT, CHLORINE-PROOF.

Minivirtus Direct IP65 is an outdoor wall luminaire with a neat, elegant and linear design: an applique that speaks of purity, shapes and light which, together with the features of DurCoral®, give life to unique solutions able to perfectly integrate themselves inside the external environment.

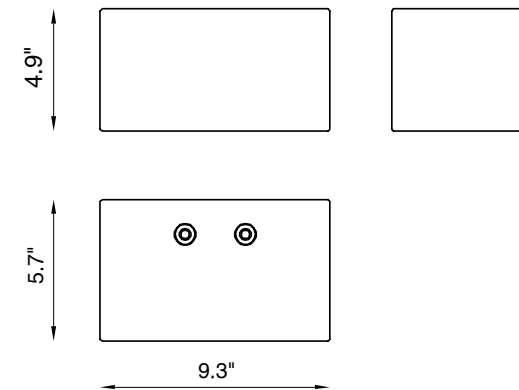

A direct light that creates precise bright atmospheres alongside paths, access points and façades of the buildings it is installed on. Minivirtus Direct IP65 has an internal soul in die-cast aluminium, a satin-glass diffuser, silicone gaskets and internal inox-steel screws which make it the ideal product for outdoor environments.
