

Y1

Y1 is a cylindrical projector for indoor environments, suitable for ceiling or wall installations, with small dimensions for minimum visual impact of the light source.

It is produced with a white, black or brass and chromed finishings with interchangeable optics.

Y1 is fitted with a 360 degrees-adjustable arm system, with invisible joints. Its light output can valorise environments with linearity and elegance and, thanks to the recessed light source it reduces the glaring effect, for maximum visual comfort.
