

SPY is a versatile outdoor floodlight, also available as a downlight, that comes in three sizes (Mini, Medium and Maxi) and is 358° rotatable, for fulfilling every lighting situation. It has optics set back from the edge of the main body to allow precision without glare. Also available in a ‘treehugger’ version which can be secured to branches, poles or other supports. Spy Mini is the smallest version with a 1.1” diameter, and 2W of power. Dark Sky compliant for output below 80°.
