

SPY is a versatile outdoor floodlight, also available as a downlight, that comes in three sizes (Mini, Medium and Maxi) and is 350° rotatable, for fulfilling every lighting situation. It has optics set back from the edge of the main body to allow precision without glare. Also available in a 'treehugger' version which can be secured to branches, poles or other supports. Spy is the medium sized version with a 2.6" diameter, and 8W of power. Dark Sky compliant for output below 80°.
