

Nuss IP65 is a IP65-rated, wall mounted, bi-emission luminaire made of DurCoral® with a clean, linear design, that is suitable for outdoor installation on walls. It is available in white light with a wide 120° optic.

TECHNICAL DATA

Wattage	2 x 4W
Power Supply	Integral 120VAC
Construction	Body: DurCoral® Lens: Extra White Frosted Glass
CCT	3000K (4000K on request, consult factory)
CRI	90
BUG Rating	B1-U4-G0
LED Lumens	1598 lm (3000K)
Efficacy	400 lm/W (3000K)
Optics	120° Wide Beam
Finishes	Unfinished
Fixture Dimensions	5.1" h x 5.1" w x 5.9" l
Fixture Weight	6.8 lbs
IP Rating	IP65

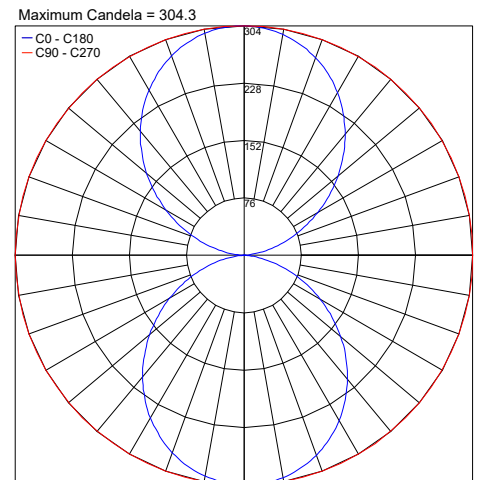

Fixture Dimensions

The body is made of DurCoral®, a high-performance “hi-tech” material born from the union of Coral® and cement. It is an aggregate twice as hard as concrete, which allows very high performances in terms of quality, flow and resistance and that, above all, differs from other outdoor materials, for the possibility of being treated with any type of paint and finish. Distinguished by the ability to resist abrasion, insensitive to ultraviolet rays, pollution and atmospheric agents is certainly the ideal material to be placed outdoors.

PHOTOMETRIC DATA

Note: All Photometry is 3000K
